

NOTE FOR SPONSOR

✂-----
HOW IT WORKS: Children ask sponsors to donate a penny per page that they read. A penny per page is the suggested amount, however any amount per page is accepted.

Sponsors may also choose to pay per book or a lump sum.

A page rate often encourages students to read more pages. The number of pages varies quite a bit from child to child. Bible chapters count as one page. All proceeds will go to Union Center Christian School funds. All participants are asked to turn in their donations by April 9th.

Thanks for your support!
